Dear Your Honor,

Hello, My Name is
Edna Tgartua. I have ~~a~~
written to you about my
present case to arbitrate
it to a claim.

I will like to apologize for
dragging this case (NAY) case
so long. In its entirety its
not all my fault I have

I HAVE PERSONAL issues that pertains to this case that is making my life a living hell due to this case is base on am officer. though in its entirety its really based on the misconduct and mistreatment that I am enduring. Which isnt quite fare to me when I am apparently the victim. in this case or cases.

I am a D.V. victim, with including a victim of my D.V. abusers who are. Gang members who have been prostituting me without my consent. Against my will.

That is why I will like to Amend this Civil action suit Complaint to including the real scope of the 79th Precincts unprofessional and mistreatment.

to a full complaint ~~of~~
 of the entire 79th precinct.
 At this time I am not
 liked. I understand the
~~79th~~ 79th police department feels
 that I have used their
 time and service though
 the question is why haven't
 they done nothing about
 something such as
~~enforced~~ forced enslaved
 prostitution in an Mental/
 Health Housing Program
 that is dealing with their
 Clients due to scope of
 of the objective of Mental
 (Health) and yet they are up
 program and the police are
 aware horrific activities that
 are done or giving order to
 do such things and make
 me a target to make involve
 myself in a religious grooming
 organization self defense
 and my beliefs of who

I chose to serve as
my master God and
lord and yet they these
two entities are ~~violating~~
violating me in my rights
of freedom of religion
freedom of my decisions
of sexuality and ~~if~~ if
I chose to want to sleep
with someone. also
My freedom my right
to chose to do what will
in my life. And that is
why I am asking to amend
to add all those other
complaint to straighten
out this ~~problem~~
issue with the police
department. and I have
made a new complaint
for my Mental Health
housing program. ~~Black~~

(Edna T. Garibay
Black Veterans for Social Justice)

and it was denied.
I feel that I am being
discriminated by my
religion and the act
of being prosecuted. I have
to have no right to fight
for my rights and
for getting out of this
horrible ~~for~~ reason.

Please help.
I can appeal and
with whom? Thank you

Edna Igarkua

PS my contact number is
